the invisible dragon turned human was a super handsome he was a super bishie

he was a guy but really he was waaay prettier than girls

he was really pretty the boys and girls all fell for him

but they couldn't see him cuz he was invisible cuz he was invisible dragon

but suddenly someone popped up

“Kukekekekekekekeke”

it was zerglings and hydras they all came on overlords.

the zergs invaded earth so anyway the invisible dragon

“BamBamBamBam Uwahhhhhhhhhh!”

In the end the overlords died there was blood spattering all over and anyway millions of overlords were massacred just like that

and so the invisible dragon only picked and killed the overlords to not get

seen also the overlords were gon so the zerglings and hydras couldnt even run now

“Hahahahahah let’s start killing and work out a bit heh”

this phrase from the invisible dragon marked the beginning of the bloody intergalactic war

the zerglings and hydras all trembled in fear but they couldnt see so they didnt know who killed them

(tl note:the author was talking about blood martial god, another one of the 7 forbidden texts. The readers have been comparing this novel to that, which made the author get curious, and search for it (he misspelled the name of the novel though, lmao).)

14 (2002/07/26)

The invisible dragon accepted the challent and

went to met the angient super hyper ultra dragon but then that dragon was to strong

“fuck it's a little strong there's no choice sorry but I'll have to use my super hyper action megaton ultra ultimate attack heh”

Invisible dragon wanted to test how strong he was so

He used 1/100000000000000000000000000000000th of his power

[illegible]

and 350,000 meteors fell from duh sky and suddenly

everything went all bambambambam everywan was ded it was bloody it was awesome

“hahaha I used $\frac{1}{1000000000000000000000000000000000000}$ th of my power and this is the result you insects keke”

invisible dragon who trianed like mad... he got hella strong in one word he was simpley awesomestrong

he defeted the demon king dragon master with just his pinki pinger suuuuper easily

but there was one enemy left

“Hmm now I have to beat my old bro”

The invisible dragon old bro was strong cuz he was older bro he was stronger than dragon master

Now the invisible dragon went to look for his bro so they may fihgt

Expect an awsom thrillin bloodie fihgt really

Aw~~some fight!!!

24 (2002/07/27)

By the way everywan some dude asked if the demon king dragon master trains

but then the thin is that the demon king dragon master is a shitty immature lazy jacass

so he just played around and not trianted and died hehehe okey???

25 (2002/07/28)

So the invisible dragon went to meet his old bro.

Whooooooosh

there was super lots of wind and because of invisible dragon and his old bro's energy it became ultra strong wind trees were getting ripped from ground and stones were flying and anyway it was awesome

"I should call you invisivisible dragon instead of old bro now heh"

the name of invisible dragon's old bro was invisivisible dragon but then siince his old bro was an enemy now he just caled his bro by name

"this small fry gettng all confident"

but invisivisivle dragon didnt know he didnt know dat his bro's pwoer got stronger by 10000000000000000 times and his bro also made a super ultimate attack

but invisivisible dragon was strong he was super duper strong

Die haiya~~~!!!

The invisivisible dragon attacked first like a bitch but invisible dragon
didn't get hit

that was because invisivisible dragon wasn't overlord's teacher so he
couldn't

see the invisible dragon

"you can't see me heh"

after that invisible dragon punched bam!!!

but invisivisible dragon didn't get hit because invisivisible dragon
was invisible

invisible dragon: hey where are you heh

invisivisible dragon: what about you~~~ ;-;

they couldnt see each other it was then right then invisible dragon realized something

“heh fine if I cant see with my eyes i’ll look with my minds eye haiya~!!!”

invisible dragon began to see with his minds eye then he said something amazingly profound

“although i cant see with my eyes I can see with my minds eye! I can see when I use my minds eye! hahahahahahahah”

invisivisible dragon was hella surprised when he hear that

no way how~~~

invisible dragon saw shit with his minds eye it was super aesome

“hahahahaha I can see!”

continuu

27(2002/07/28)

“ah see you your there!”

invisivisible dragon whos location was discovered trembled in faer.

invisble dragon blew normal skill his breath.

invisivisible dragon:ahhhhhhhhhh! shit! ;-;

it was a normal skill but it was invisible dragons normal skill but
invisivisible dragon

hurt like shit and screamed and cried lol

however it was not the end invisible dragon prepared to strike one final time

but it was then

“heh! but that was in the past i’m not scared anymore~!”

when invisible dragon thought of the past he scared of colbob but that

was all in the past invisible dragon was already incompearably stronger than the past

it was seriously no joke.

???:laughable invisible dragon!

invisible dragon:what are you!!

it was then a 600 huge giants came out

it was no joke

invisible dragon:I said what are you!!

???:actually we are the lords of the universe you killed. shit... what are you to

destroy our universe on a whim?! you are so dead today. we thought it wouldnt do with just one so we got together you are so dead his time

kekeke

it was like that they were actually the lords of universes who got together

to erase invisible dragon. even one was super strong but there was 600!!!

heh however our mc is the invisible dragon

invisible dragon:can you even see me heh

it was like that the invisible dragon was invisible so he couldnt be seen.
However...

600 lords:u dont kno whu our lord is its the great colbob-sama.

we were already teached how to see you from colbob-sama kekeke

and one more thing! actually i wanted to kill you when the universe was
destroyed but

it was imposible alone... colbob-sama said we need

at leas 600. Kekeke we are 600! colbob-sama dont lie!

“how is this possible! shit its colbob again that bastard!! ;;-;;”

colbob was too meticulous. if that was true then it was safe to say there was
no hope of victory for invisible dragon but...

“heh but your all a bit stupid. you cant win me”

600 lords:what do you mean by that!!

invisible dragon:I said you cant win me

600 lords:heh colbob-sama never lies!!

invisible dragon:of couse he didn lie. you misunderstanding me idiots.

colbob said at least 600. that means my chance of winning is hier.

idiots understand now?

600 lords:f fuck!! let's first fight!! it also means we can win to!

invisible dragon:good. come at me all at the same time heh.

suddenly the mood turned raelly bloody. the 600 lords all surrounded the invisible dragon in an instan and he invisible dragon cooly put off his cigar took off his coat and sungalss and stared at the 600 lords.

invisible dragon:come at me quickly!

600 lords:die invisible dragon! Uwahhhh!!

“fuck..! invisible dragon already destroyed over 600 universes...

duke super disappeared. it was then

?:who are you

duke:???

someone suddenly spoke to the despairing duke

duke:i need power! a super strong power!!

?:good i will grant your wish.

duike:i need to revenge! I need to have my revenje!!

then someone suddenly appeared and said a awesome line

?:mwahaha good! congrachulashions on becoming my dicsiple! my name is lord of lords of the universe!

duike:what so cool. by chance, colbob?

and someone smiled

colbob:yes i'm THE colbob hehe

invisible dragon was super hurt he was about to die
around were corpses that formed mountains.

“gasp gasp... that was infinitely tiring.. I almost got killed
but i really will die at this rate... ugh!”

then he saw a little girl who went past him.

“hey please heal me... i’m dying i will really
die at this rate”

and the girl hopped around cheerfully and said

shang-a:huh? how did you know? i’m awesome at healing! i’m aw-heal
shang-a hi! ^^*

invisible dragon:kek if your aw-heal than i’m aw-kill hehe

but...;;-;;

shang-a:who are you! I cant see yu!!

invisible dragon:aw shit

it was like that... invisible dragon was invisible so shang-a couldnt see him
;;-;;

“you said you were aw-heal”

shang-a:but i cant see u what can i do.

“aw shit!! get rid of the bias that what u cee is everythin!!

do it quickly!!”

shang-a decided

shang-a:ok ill try..

but she didnt kno that the invisible dragon she healed was

duikes archenenmy...

colbob:try destroing the 1st dimension

duike:yes haap!!

and the 1st dimension disapppeared all dots disappeared! It was a supernatural ability that surpassed the mind!!

Colbob:whoa duike you ar awesome to think u broke thru everyhing i told you. you are genius awesom

duike:keke thank you master colbob

duike was rilly a genius he mastered whatever colbob teached him

and he advanced his skills and colbob was even supriised

colbob:it really makes me wanna teach duike hehe i will pass on to you my everything

become the best and be my successor hehe

duike:thank you

but duike was thinking something els

soz colbob-sama... i need to kill invisible dragon

???:colbob-sama!

then someone called colbob

Colbob:what is it didnt i tell you to not disturb me when i'm teaching duike?

300 lords:so sorri... actually...

and whispered to colbob

“what?! The 600 lords all died by invisible dragon!!”

and duike was so suprised. he said [what?! invisible dragon?!] when he heard

Invisible dragon. but he only said it in his heart.

300 lords:yes. we doomed.

colbob:we ar rilly doomed

300 lords:600 of us died how can we win sob sob shit

colbob was super annoyed,

“you idiots i said at least 600

impayshunt and dum people are all ment to die”

300 lords:sob sob what do we do? will all 1000 universes of this world

be in his hands?

but colbob smiled.

colbob:who am i i am colbob get invisible dragon here rite now i will deal with him

quickly join youre universe with mine.

300 lords:yes sir

actually the universe colbob ruled was the biggest and the awsome. He 300 other lords of the universes all joined the universe they created to colbobs colbobs

universe became huge.

when all the universe joined colbob shouted

“hey invisible dragon. I’m colbob you want to know where i am rite?? FYI, i’m in colbobs world. I joined all the universes so dont destroy it and come here. Over”

colbobs sound was so big that invisible dragon heard it. by then shang-a was already done healing invisible dragon

“gosh youre recovery is no joke”

invisible dragon:i won 600 lords and i even recovered so i am stronger than before!

anyway thans for healing i need to go get revenge so farewell!!!”

but invisible dragon was awsomey suprised. becuz there was 300 lords of

the universe with him

invisible dragon thought that he may really die today.

“you coward! you were with those insects!!”

then colbob said

colbob:don't put me together with those insects hehe its time to show ma
powaa

invisible dragon:how am i meant to win with the insects on your side even
300 of them!!

heh but if you want come at me i killed 600 and ive got stronger

then colbob said.

“ok one on one it is then”

and so colbob killed all 300 lords with one finger

no just the fingernail

300 lords:ack!

colbob:how is it now its one on one right?? Heheh

then invisible dragon fell in to more dispair cuz colbob

was in a different dimension!

invisible dragon:(mind) ah fuck its a mistake it fucking hurts

but invisible dragon had hidden strength. that was biting

the tongue with ultimate resolution and he will become awsomey stronger!
but he had even stronger hidden strength that was when he bit his tongue
after shivering his chin in fear he became stronger than biting with ultimate
resolution by 5783458765666 squared!

but invisible dragon didnt kno that so he used all his power to use ultimate skill

while biting his tongue! it was then!

“invisible breath!!”

this was a ultimate power skill he didnt know about!! the power was

really he was suprised about! to think i had this ultimate skill?!! ooh so cool!

as expected, colbob cant evaded it!

‘Kukwangkwangkwakwang’ (rumble)

colbob was hit hard!

invisible dragon:(mind) huh? whaz this colbob got hit? meh since its like this

lets close my eyes on it and beat him with all my powa until he beaten to death i will win anyway here goes nuthing~!!

tudak tudak puk puk! (punching?)

It was awsomey no joke thrililng action!! like this invisible dragon beat colbob

For 3550 days keke

“pant pant im so tired soooooo tired pant pant he should died rite?”

invisible dragon had almost no strength anymore cuz he was too tired

but...

colbob:whaz this it tickles hahaha

invisible dragon:omg!

but no matter how awesome stronger invisible dragon got colbob was colbob

he was no match for hiim from the beginning... ;;-;;

“it’s my turn!”

invisible dragon:no!!

Ppak~!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!x389492939400123 (punching)

kek!

invisible dragon so flew so far away then he got a big huge sirious

Wound... ;;-;;

colbob:mwahaha you got one-shotted this is too boring

invisible dragon:kek... too strong as expected... i can’t win ;;-;;

but theres one method!

colbob laughed

“haha i’m listnening.”

invisible dragon:it’s my super awesome great action mountain hyper
invisible attack...

colbob:isn’t that invisible breath?

invisible dragon:that’s my super awesome great action mountain attak...

colbob:hmm

invisible dragon:actually this was my ultimate skill from the past its...

the selfdestruction evasion from when i foght with my brotha! but

selfdestruction evasion pierce throu the dimension and goto anotha universe! but this skill not only pass throu one universe but circle around thousand billion million universes many times!

colbob:puhaha your bro was so weak tho hehe hows that ultimate skill

invisible dragon:heh i'm sorry but this is the skill i perfected now it's upgration selfdestruction evasion!

colbob:whats that?

invisible dragon:if i use this then the opponent has no choice but to self destruct!

and i would evade it truly is two birds with one stone keke

colbob:kek what the heck.

then invisible dragon spat out a cool line!

invisible dragon:heh unjust law is also law!

colbob:h...how.. its a frightening ultimate skill indeed. but im invincible so

I dont have skills like self destruction?

invisible dragon:then commit suicide or something! honestly who can kill you

only yourself can dumbass haa.

colbob:oh

invisible dragon:then i'm starting! colbob! its the end for you mwahahahaha!

but colbob said with composure

colbob:i'm sorry but theres something you dont know yet. its that i didn't use even 1% of my power heheh

invisible dragon:what?

colbob:like i sed i can kill you first before you use that
ultimate skill hehe shall we see? yeah i can instakill you
with 2% of my strength heheh

fuck! invisible dragon onece agen fell into dispair!

Invisible dragon:uuu...no! it's a lie! i can't believe it!

colbob:heheh

but invisible dragon regained he compozure.

Invisible dragon:actually i kno your scared keke stop bullshitting

what 1% and when facing me... so much bullshit

heh go on and kill me lol then here i go!

Upgration selfdestruction evasion!!

colbob:pfft! 2% punch!!

‘Bang~~~~~!!!!!!!!!!!!!!!!!!!!!!!!!!!!x40839849!
the power 999999986’

“puhah... how... how is this possible... uuk!!!”

“heheh”

colbobs words were true he true didnt use 1% of his power

colbob was too strong.. ;;-;;

colbob:wow~ you survived i gonna use 2% but i used 1.6% cuz i couldnt

control my power *blush* heheh

invisible dragon: what the fuck are you.. ;;-;; sob sob it cant be like this

its the first time i feel so puny

colbob:good ill tell you a story from old times actually the creator of the world

was born of its own will in fact there's no one creator

theres many because they were born from their own will

they add up to 900 and i colbob wanted to be born so

i threatened them with my own will so i colbob was born

actually as you saw before the 600 you killed and the 300 i killed were all creators

creators all were satisfied with their created world and played around and

i got bored so i made a world like them and this is that we all raced

and put our effort into growing our universe into the biggest and you appeared

outta nowhere and you destroyed our universe its annoying cuz you destroyed space-time and dimensional universe so i stepped up so dont be frustrated since i stepped up you are already dead heheh

invisible dragon:..... yeah be the best all you want

colbob: heheh

suddenly duike shouted!

duike:invisible dragon! can you use upgration selfdestruction evasion?!

invisible dragon:i can use it one more time with my strength ;;-;; but who are you?

colbob:it's my disciple duike heheh anyway to think you still have strength to use upgration self destruction evasion i must kill you fast heheh this time you wont survive without being instakilled. this attack is 3 percent kick! scream is death heheh

invisible dragon however burned courage in his eyes and really

barely got up and shouted [don't fuck with me! justice will always win! the good guys always win!]. ah so cool ;;-;;

colbob:heheh your fucking with your self. eat this invisible dragon! 3 percent kick!!

then suddenly!!

duike:wait!

colbob:ah fuck what is it? do it later. lemme kill inviisble dragon first.

duike:i developed a new skill after looking at master colbob and invisible dragon! its super strong cool! have a look!

colbob:oooh a genius as i expected duike but do it later. after i kill him

duike:what is this! if u dont look at it now i quit being youre successor!

colbob:this guy here might use upgration selfdestruction evasion.

duike:that's it thank you for your teachings un til now master colbob.

colbob: ok ok! hey invisible dragon dont move or its 3 percent kick

and colbob talkd with duike invisible dragon thought now!

[upgration selfdestruction evasion!!]

“pff. I knew you do that your looking to die 3 percent kick!”

as expected colbob was faster than invisible dragon by a lot ;;-;; but suddently

duike stood in front of invisible dragon!

duike:huh?! there's money on the ground?? +_+

colbob:fuick duike get outta way quickly! fuck!

but it was too late our invisible dragon transcended space-time

and dimensional universe and he was going round and round them and was doing upgration selfdestruction evasion... ;:-;!!

invisible dragon was now dying.....

he used all his power in upgration selfdestruction evasion and he received 1.6%

punch from colbob so he got more injured than when he fought the 600 lords....

invisible dragon could recover in 0.03 secons even if only a small sand particle size was left of him but this time the injury was too serious so he was dying...

“ah.. to think invisible dragon might die like this pointlessly..

and i was da best onece too... well i killed colbob so i have no regrets...

ah... but i'm bored. i wanna do something before i die”

suddenly

duike:haha! it's me invisible dragon! duike!

invisible dragon didn't know a lot but he remembered duike saying colbobs
disciple

duike:i'm called duike whu's about to take revenge on you! you fiend!

i let you live because i want to kil you mysel! but you are done for! you are
super duper weak and your injury is super duper! die in my hands! you
killed the strongest human among gods..

invisible dragon:die eye beam!

duike:ahhh!

invisible dragon cutt off duike and used eye beam. eye beam

is invibisle dragon's weakestest move and since he was weak he could only
use tat

even tho invisible dragon was dying duike was no match

duike got hit by eye beam and felll down the cliff

“kekeke i did something fun before I died tho. Ah as expected a death of a good boy

is not tragick but noble.. heh.. well, I did figt a lot for justice.. is my glory days gon just like dat.. heh..”

and suddenly Shang’a!

invisible dragon:o!! here!! i’m dying! help me quik!

Shang’a:kk

duike:ugh..

duike fell of the cliff and got super hurt...

but den he saw some weird book

‘open it’

duike opned it and he got super healed

duike turned the page

“UAAAA!!! amazing powah!!”

duike kept turning the page duike was getting super strong

invisible dragon:ah be quicker

Shang’a:let me find u... i can’t see

and suddenly duike came out!!

invisible dragon:uh wat your alive

duike:it's ovr! i'm super strong!

invisible dragon:ah shit im super tired.. eye beam using last bits of powah!!

duike:duike action!!

duike's duike action and invisible dragon's eye beam collide! super serious!

in other words, it was mediocre!

invisible dragon:ugh you got strong

duike:as expected you're strong

invisible dragon:hey just treat me quick wat the hell!

Shang'a:ok just wait a bit goonna find you soon

duike suddenly heard shang'a while he use duikeaction!

duike:ah! youre shang'a?!

Shang'a:yeah hi

duike:what are you doin! why u try to fix invisible dragon!!

Shang'a:I love invisible dragon

duike: $\Sigma(\cdot \square \cdot)$

what the!! what is this?!!

duike:what you lov me tho!!

Shang'a:i used to yea

invisible dragon got pissed when shang'a didn't treat him whyle he shoot
eye beams

invisible dragon:ah fuck why u no heal me! want me to hit you?!!

Shang'a:ok ill do it fast

duike was hella surprise ;-;

duike:shang'a how can you do dis to me! what's so good about that dragon
he's

so shitty to you!

Shang'a: I fell for his shittyness

duike:what the hell!! you like me tho!! you playgirl!!

shang'a: what are you talking about! you were the one who trashed me first?!

you don't even think about me all you think about was killing insbisible dragon

your too much sob

duike: but why would yu fall for invisible dragon! you cant even saw him!

shang'a: this is why men are so usless do you love with ur eyes? you love with ur heart!

duike was too surprise...

'heh as expected i'm tha best.'

invisible dragon felt hella cool. but this was a mistak

duike: i can't forgive you!! uaa! I'm getting anger! too much anger! I can't

take it!

duike suddenly got angry and his duike action got ten times strong!

it just pierced eye beam and hit invisible dragon!!

invisible dragon:no way! ahhhhh!

invisible dragon sad dis as he fell

“I still managed to live a flamboyant life. I did everything I wanted. Perhaps

I lived too good of a life. But my time has passed now. Perhaps it passed already

in the past, but I lived on.. so this is when I die. I have no regrets! I lived a good life,

Kuhahahahaha!!”

Hello it's duichidak

i actually wanted invisible dragon to really kill everything and

live a good life.. ㄗㄗ but if invisible dragon got too strong

and killed everything he'd become too OP so

I made him weak.. sob
